Reference:-

Submitted to the Government.

2. In the circumstances stated by the Collector of Bellary, the Board recommends that sanction may be accorded for the continuance of the following staff in the office of the Special officer, Sandur for a further period of six months from 1.4.50.

One Deputy Tahsildar.
One Taluk Head Accountant.
Two Upper division clerks and 3 peons.

The Collector proposes to disband the fourth peon from 1.4.50 and this may be approved.

In G.O.Ms.352, Rev. dated 8.2.50, the Government have sanctioned th conversion of one of the posts of three upper division clerks in Sandur into that of a Sheristadar Magistrate for a period of six months from the date of conversion to enable him to try the 3rd class cases arising in Sandur.

3. At the Collector's office, Bellary. The Collector proposes to retrench the Lower Division clerk with effect from 1.4.50. His proposal may be approved. (a) He requests sanction for the retention of the Upper Division clerk for a further period of six months with effect from 1.4.50. This may be sanctioned. (b) In view of the fact that the Collector is surrendering the Lower Division Clerk's post the Board recommends that sanction may be accorded for the retention of the second Upper Division clerk which post was sanctioned in G.O.3308, Rev. dated 28.12.49, for a period of 3 months more from 13.4.50. (c) As regards the continuance of the Huzur Head clerk, as recommended by the Collector, the Board considers that there is no necessity for the continuance of the post of Huzur Head Clerk to attend to 'Sandur State' work as by himself he will not have sufficient full time work. The other section heads in the Collector's office should continue to do the work so far done by them. Two Upper Division clerks will thereforebe sufficient to attend to the 'State's work' in the Bellary Collectorate and their continuance may be sanctioned.

The following staff was sanctioned for the administration of the merged area of Sandur, in the C.Cs. cited above.

| 4) Second Upper division clerk for Bills presented by the Ruler | Three months from date of joining i.e. 13-1-1950. |

I submit below proposals for extension of the above staff beyond 31-3-1950 with certain modifications.

I. Sandur office staff.

The re-organisation of the State has not yet been completed. The Mysore Land Revenue system which is in vogue in Sandur has to be completely changed and the system in vogue in this Province has to be introduced. The Forest Department and High school of the State, the Sandur Municipality and the village panchayats have not yet been taken over by the concerned departmental officers. Some of the important Provincial Acts like, the Madras Motor Vehicles Act, have not yet been extended to Sandur. ~~x~~ The staff of the State has been absorbed into the Madras Government service. The state records are being sorted out and those relating to the Political and the Residency aspects have to be handed over to the Ruler. Many of the bills for over a lakh of rupees presented by the Huzur Secretary have to be finally adjusted towards outstanding advances. The re-organisation of the Treasury has yet to be completed and our system of accounting has still to be introduced.

Thus I submit there is still much work to be done in Sandur. I therefore consider that, the Special Officer Sandur, the Taluk Head Accountant, two Upper Division clerks and three peons in the Sandur office are necessary for a further period of six months from 1-4-1950, and request that the Government may be pleased to accord sanction for their continuance. As regards the third Upper Division clerk in Sandur sanctioned in the G.O. first cited above, I invite the attention of the Board to my Rc. 6103/49 S1 dated 9-12-49 and Board's No. 9729/49 dated 1-12-49 wherein the appointment of a Huzuristadar Magistrate of the grade of a Taluk Head Accountant was proposed in the place of the third Upper Division clerk in Sandur. Separation of Judiciary from the Executive has not been brought into effect in Sandur and my proposals in the above reference stand. I request that early sanction may be accorded for the appointment of a Huzuristadar magistrate.

One of the four peons under the Special Officer may be disbanded on 1-4-1950, as I consider that three peons are sufficient for the Special Officer Sandur in the existing conditions.

As regards the staff in the Collector's office, I submit the following.

The lower Division clerk sanctioned upto 31-3-1950 may be disbanded on that date. The work in my office remains still heavy in view of the many references from the Special Officer Sandur and the Government on the re-organisation of the State etc. I consider that the services of one upper division clerk will be essential in my office for a further period of six months from 1-4-1950. The Upper Division clerk for Bills will be disbanded after 3 months from 13-1-1950 i.e. on 12-4-50 and the correspondence will be too heavy for one Upper Division clerk to cope with. There are at present 120 currents with one Upper Division clerk, 85 currents with the second Upper Division clerk. To deal with all the correspondence with promptitude and efficiency, I consider it necessary to have two Upper Division clerks. The second Upper Division clerk may be required for a period of 3 months from the date of disbanding the Upper Division clerk for bills sanctioned in the G.O. second cited above, by which time many of the pending problems of the State are expected to be finalised. I therefore request that sanction may be accorded to continue one Upper Division clerk for six months from 1-4-50 and the other for three months from 13-4-50.

As regards the Additional Head Clerk in my office, I consider his continuance necessary for the following special reasons.

Though there is not sufficient work connected purely with Sandur, the supervising staff in my office is already so over-burdened that there cannot be proper supervision. It is therefore desirable to lighten the load on the section heads, instead of increasing it by adding the Sandur correspondence.

The Civil Supplies section in my office which has an additional Head Clerk is over-burdened. Besides, the Huzur Head Clerk exa of my office is saddled with the following new subjects.

a) Firka Development scheme
b) Evacuee Property
c) Rehabilitation of refugees
d) Census operations.

Besides the above subjects, he is supervising other important subjects like 1) Local Boards and Municipalities,

2) Land Acquisition 3) Inams (4) Escheats 5) Endowments 6) Rural water supply 7) Prohibition 8) Military, 9) Roads etc. and he is also supervising the work of the F.C.Section.

Besides his usual work, the Huzur Sheristadar is also having new subjects like the Elections and assignment of land to political sufferers and in course of time, the correspondence in this subject is going to increase much and the Census correspondence will have to be supervised.

I therefore consider that though there is not work for an Additional Head Clerk to deal with the present Sandur correspondence alone, there is acute necessity for relieving the Huzur Sheristadar and the Huzur Head Clerk, who are overworked. I therefore propose that a second Additional Head Clerk in my office may be sanctioned for a period of six months from 1-4-50 who besides looking to the Sandur correspondence will supervise all the new subjects mentioned above. Such a course will add to the efficiency of the work. I therefore request that a second Additional Huzur Head Clerk for a period of six months from 1-4-1950 may be sanctioned.

To sum up the above proposals, I request that the staff noted below may be sanctioned for the periods noted.

I request early orders.

Sir,

Sub:- Establishment - Temporary Bellary District Collector's Office Addl. - Head Clerk for Sandur work - continuance.

Ref:-G.O.Ms.No. 752 Rev. Dept., dated 14-3-50

****

In their order cited above, Government were pleased to order the disbandment of the post of the Addl.Head Clerk sanctioned for work connected with the merged state of Sandur. This order is to be given effect from 1-4-50. In my office there are sections heads (Huzur Sheristadar, the Huzur Head Clerk and the Addl.Huzur Head Clerk for civil supplies work) The civil supplies branch is already very heavy with ten clerks to be supervised by the Addl.Huzur Head Clerk and no extra work can be given to him. The Huzur Sheristadar is having heavy work; he has to supervise the work of eight clerks dealing with very important subjects like village officers, Mining, Elections, Jamabandi, ~~Elections~~, irrigation, Establishment etc., Besides he has to do the general supervision of the office as a whole. The Huzur Head Clerk is also overworked having to supervise the work of 12 Clerks and 4 typists in the office. He deals also with important subjects like the land Acquisition, Firka Development, Evacuee property, Rehabilitation of Refugees, signing of all fair copies and supervision over the Fair Copy section etc., It is not possible to add on any other items of work to him.

With the disbandment of the Head Clerk for Sandur work, necessity has arisen to add this work to either the Huzur Sheristadar or the Huzur Head Clerk. The reorganisation of the State has not been completed, and there is much to be done on the revenue side. The existing pendency in the Sandur Section is approximately 300 Current and corresponednce is on the increase. Besides many bills presented to the administration for adjustment towards the advances drawn by the State officials are pending. Further correspondence regarding unaccounted for advances amounting to the sum of Rs. 47,000/- is pending . The work of handing over of the Private properties of the Ruler is still incomplete. Reorganisation of the State Treasury is also incomplete. Correspondence withe the Huzur Secretary is very heavy and often complicated. Instructions have to be issued to the Special Officer, Sandur in regard to the application of the several Madras Acts extended to Sandur and some of the Sandur Acts are still inoperative. The inams question in Sandur requires a thorough study The absorption of all the State servants has not yet been finalised. The forest and the transport department have not yet been taken over many cases (about 50 in number) of land acquisition unattended to of the previous regime have come up for consideration and each case has to be examined on its own merits . Besides many references from Government and the Board are being received every day, and most of them require immediate attention. The work connected with the affairs of the merged state, is not I submit of a routine nature, and every paper, requires, carefully study and drafting. Though the number of clerks whose work has to be supervised, is only two, I consider from my experience that if efficiency and promptitude are to be maintained, a separate officer of the cadre of a Deputy Tasildar is necessary. My predecessor's report that there is not sufficient work for the Head Clerk so far as the Sandur section is concerned, is probably based on the fact that there are only two clerks dealing with the correspondence. I feel that though

the Additional Head Clerk will not have as heavy work as the Huzur Sheristadar and the Huzur Head Clerk have at present, he will have enough work to justify the appointment of a separate superivisory head Clerk. More over as I Proposed in my office Ref:C. 11114/49 S.1 dated 6-2-50, it is necessary to take out some of the subjects from the Huzur Head Clerk so that his work may be manageable. I submit that without a separate section head, the work connected with Sandur affairs will suffer a good deal. and

In the above circumstances, I request that the Government may be pleased to accord sanction for the continuance of the Addl. Head Clerk for Sandur work atleast for a period of Six months from 1-4-50.

Please see the letter from the Collr of Bellary on Pr 1-2 Cf. With refce to the recommendation of the Bd. of Revenue at L on Pr 1 of (X), the Govt ordered the disbandment of the Addl Huzur Head clerk in the Collr's office, Bellary, with effect from 1.4.50. For the reasons given by him in his letter on Pr 1-2 Cf, the Collr of Bellary has prayed for the continuance of the Addl Huzur Head clerk in his office at least for a period of Six months from 1.4.50. As the disbandment of the Addl Huzur Head clerk was ordered with reference to the recommendation of the Bd of Rev; it seems desirable to obtain the remarks of the Bd. of Rev in the matter. If so, the draft endt on Pr 2 Cf is for approval (It is presumed that the Collr of Bellary is continuing the Addl Huzur Head clerk in anticipation of Sanction of the Govt.)
